Due to on going delay in receiving your quotation, W3 will complete the removal of the crosswalks with our own forces. Also all scarfing associated with Royal's corrective work will be done by Royal/W3.

With that said, please schedule your guys for the **FRIDAY 12/2/12 am**. If not Friday, first available.

Subject: WCAA Access parking Crosswalk Removal
Importance: High

I still need a DETAILED quote for the crosswalk removal.

Al's is allowed to markup 5% on top of Hart so use the same format as you last quote. Please rush so we can get this work scheduled.
