I got this e-mail from Kellie. I actually have to laugh. She said that $346 goes to Al's. Our minimum for this time of year is $450 per hour for 2 men $675 for 3 men and all most all of what the guys did last Friday was items caused by somebody other than Hart….. Who is going to pay us for a half day worth of work? 620 linear feet and 4 additional HC symbols lol. What a joke. You know, really we are due about $2700 for the work (4 x $675). How do we proceed? I didn't cc Kellie. I know what that crazy woman would write……

Please be advised that Hart completed 620lnft of striping and four additional HC symbols. In accordance to our contract agreement unit U4.1 & U4.4 we will issue Al's Paving a change order in the amount of $346.00 for the work completed. A deduct for the same will be issued to Royal.

Thanks,
Kellie
